### REF: APPOINTMENT OF NEW DIRECTOR – CARITAS MONZE

The above subject matter refers.

On behalf of the Diocese of Monze and indeed on my own behalf, I Bishop Raphael Mweempwa write to announce to you the appointment of **Fr Ackim Msimuko** as the **NEW DIRECTOR** for CARITAS MONZE effective June 01, 2023. This change has been necessitated by our long plan as a Diocese to capacity build human resource in the Caritas department. To that effect, Fr Zulu Philemon is to begin his studies in September 2023.

I must mention that this change in leadership will not disrupt the smooth operations of the Caritas Monze. I assure you of stability and continuity as regards bringing development to marginalised people in the Diocese of Monze under the leadership of Fr Ackim Msimuko. I am confident that he will drive the department as we continue to respond to the needs of the less privileged.

Fr. Ackim Msimuko has served in different capacities notably as a Parish Priest (in several Parishes) and Chaplain at Monze Mission Hospital. Apart from the priestly studies (Philosophy and Theology), he holds a Masters in Communication for Development.

We treasure your continued partnership and support in the mission of bringing meaningful development to all people.

Yours sincerely,

+ Raphael Mweempwa

Diocese of Monze
